# MESSAGE FROM THE BOARD CHAIR

## Chamber Members,

It is an honor to serve as Chairman of the Board for the Decatur Regional Chamber of Commerce, and I am genuinely excited about the membership year ahead. More importantly, I want to take a moment to shine a light on something I believe deserves more attention: the real, tangible value that your Chamber membership delivers to your business.

At its heart, the Chamber is built around a simple idea. We strengthen the local economy, represent your interests in government, promote this community and its businesses, and provide real opportunities for you to connect, learn, and grow. Here is what that looks like in practice:

- Since launching our LED Light Bulb Program in 2020, we have provided Chamber members with over \$933,219 worth of energy efficient light bulbs at absolutely no cost, funded entirely through electric utility energy incentives. Participating members enjoy an average energy savings of \$932,588 per year.
- As the voice of business in the Decatur and Macon County area, we represent an alliance of companies spanning more than 35,000 people. We regularly advocate with elected officials at the regional and federal level, monitoring legislative changes and public policy to create a favorable environment for businesses of every size.
- We celebrate your milestones with free ribbon cutting ceremonies for grand openings, renovations, expansions, or anniversaries. Partnering with the Chamber also positions your company alongside an organization recognized for credibility in our community.
- Through Metro Money, we keep dollars circulating right here in Decatur, directly supporting local businesses and strengthening the economy we all share.
- Beyond programs and savings, the Chamber offers networking events, leadership development, and committee opportunities designed to help you build partnerships, expand your reach, and attract and retain great talent.

These are just a few of the ways your Chamber membership is quietly working for you. I encourage you to take full advantage of everything we offer and get involved in our events and programs along the way.

To our longtime members, thank you for your continued support. And to any business in the Decatur area that has not yet joined, I would encourage you to explore what membership can do for you. We are thrilled to serve you.

# What do We do?

## About the Chamber

A chamber of commerce is an organization of businesses seeking to further their collective interests, while advancing their community region, state or nation. Business owners in towns, cities and other territories voluntarily form these local societies/networks to advocate on behalf of the community at large, and promote economic prosperity and business interests. Chambers have existed in the U.S. for more than two centuries, with many having been established before the jurisdiction they represent. A business-led civic and economic advancement entity operating in a specific space may call itself any number of things – board of trade, business council, etc.

The Decatur Board of Trade was formed in 1887, “for the purpose of better promoting the growth and prosperity of the city of Decatur...”. By the turn of the 20th century, Decatur had blossomed into an important center of manufacturing and grain processing, and the Decatur Board of Trade evolved into the Decatur Chamber of Commerce. Recognizing that businesses need a vibrant community in order to flourish, the new organization’s mission statement showed a subtle shift from promoting the city’s business opportunities to promoting both business and general prosperity of the city.

The Chamber’s first mission statement read, “The object shall be the promotion of the commercial and manufactured interests and the general welfare of this City of Decatur, Macon County, Illinois and vicinity.”

Chartered on July 3, 1903, the Decatur Chamber is recognized as the second oldest chamber of commerce in Illinois. Quincy’s chamber, which was formed in 1900, is credited with being the oldest Illinois chamber; however, since the Decatur Chamber of Commerce grew directly out of the Decatur Board of Trade, it technically predates Quincy’s chamber by 13 years. (Chicago did not form a chamber association until 1904.)

Throughout the years, the Chamber has undergone several name changes. No matter what name it goes by, its mission to improve the community’s business climate remains constant.

### Mission

The Decatur Regional Chamber of Commerce is a pro-business network providing service, political advocacy, and leadership to strengthen education, community image and local business.

## What We Do

We partner with members, investors, volunteers and the community at-large, and hold ourselves accountable to:

- Serve as a trusted resource to help businesses solve their challenges.
- Advocate for a business-friendly environment.
- Connect and convene members of the business community.

We work diligently to provide unparalleled support to our members, and to strengthen our community—now and in the future. Our strength and vitality come from the unity within our business community and together we have a real impact on the economic development of the Central Illinois Region.

Disclaimer: Programming listed in this booklet may be subject to additional fees. Please contact the Chamber for details.

## Advocacy

With more than 139 years serving as the “Voice of Business” for the Decatur community, the Chamber continually advocates on behalf of our members for pro-business legislation, creates awareness, provides education, hosts political events, and creates opportunities that connect our members to those who can help ensure the longevity of business in the Central Illinois Region. The DRCC regularly reaches out to elected officials through letters of support, advocating for key regional and federal issues that impact the Illinois business community.

### Advocacy Partner Roundtable

The Chamber holds an annual Advocacy Roundtable to connect local business leaders with city, county, and state officials to discuss our legislative agenda and priority projects directly affecting our business community.

### Ag Café

Twice a year, the Chamber hosts Ag Cafés to highlight and enhance Decatur’s position as America’s Agribusiness Capital. These luncheons provide networking and feature prominent speakers

in the world of agribusiness.

## Ambassadors

Ambassadors are volunteers for the Chamber that represent their own company while championing the DRCC’s events, programs, and initiatives. Made up of Chamber members, Ambassadors are called to be active envoys of the DRCC, and work closely with Chamber staff to add value and build lasting relationships with our members.

## Annual Celebration

Every year in the fall, members gather for our Annual Celebration where the DRCC’s accomplishments of the previous membership year are reported and member milestones are celebrated. Known for its dynamic speakers, the Annual Celebration has become one of our most anticipated events.

## Association Health Plan

As the Chamber’s newest benefit for members with 50 or less employees, the DRCC Association Health Plan (AHP) offered through United Healthcare aims to save Chamber members and their employees money. Through the AHP, members can gain the

# WHAT DO WE DO?

buying power of a larger employer when it comes to healthcare options, including exposure to benefit plan choices currently unavailable to traditional small group employers.

## **Business After Hours**

Business After Hours are networking events held at a Chamber members place of business, and are designed to provide networking opportunities within a relaxed setting while celebrating the member's business.

## **Business Luncheons**

Throughout the year, around 100 business professionals meet to network, connect, and have the opportunity to learn about relevant topics from informative and timely speakers.

## **Business Partners**

The Chamber's vision includes a regional plan where businesses succeed and people prosper. DRCC Business Partners are forward thinking leaders that go above and beyond in their support of the Chamber. In return, the Chamber works hard to provide our Business Partners with opportunities for one-on-one conversations which foster strong connections.

## **Business Partner Roundtable**

Once a year, the Chamber holds a Business Partner Roundtable with community leaders to discuss and bring awareness to local business issues.

## **Certificates of Origin**

A Certificate of Origin is a document widely used in international trade transactions which attests that the product listed therein has met certain criteria to be considered as originating in a particular country. The DRCC processes thousands of Certificates of Origin each year.

## **Chamber Awards**

Each year, the Chamber invites the business community to join us for a special evening to recognize our member finalists and winners for their accomplishments during the past year in five award categories.

*Girl Scouts of Central Illinois representatives join the Chamber at the annual Chamber Awards event.*

## **Chamber Energy Cooperative**

The DRCC partners with nationally recognized energy management experts to administer and manage our energy cooperative. Each time a member joins the Energy Co-op, it increases member purchasing power which results in giving members, individually and as a whole, the power of purchasing electric and natural gas at more consistent rates, and at prices lower than what can typically be obtained on their own.

## **Chamber Energy Solutions**

Through our partnership with OEO Energy Solutions, Chamber members have the exclusive opportunity to receive NO COST LED light bulbs that are 100% funded by electric utility energy incentives. Since the start of the program in 2020, over \$933,219 worth of light bulbs have been provided to DRCC members with an average energy savings of \$932,588 per year.

## **Chamber Golf Outing**

Now in its 38th year, the annual Chamber Golf Outing provides members with a relaxing day on the links in a competitive yet laid back atmosphere.

## **CIPAC**

The Chamber provides administration for the Central Illinois Political Action Committee (CIPAC). The purpose of CIPAC is to improve government and business in the state of Illinois by assisting candidates seeking nomination and election to state and local offices in Illinois. CIPAC is also active in supporting or opposing public policy issues.

# WHAT DO WE DO?

## Community Calendar

The Chamber facilitates a Community Calendar for its members to bring awareness to scheduled upcoming events.

## Community Image & Impact Partners

The Chamber's Community Image & Impact Partners recognize that the practice of taking on activities which provide basic services to communities makes them more livable and sustainable. They are committed to partnering with the DRCC and area agencies to assist in projects that will make the Decatur community stronger and improve quality of life here.

## Community Image Roundtable

Once a year, the Chamber meets with its Community Image & Impact Partners to bring awareness and discuss solutions for any issues surrounding the betterment of the community.

## Community Impact Day

Each Spring and Fall, the Chamber facilitates a Community Impact Day by bringing volunteers that work for our Community Image & Impact Partners together to work on beautification and projects that make a difference in our community.

## Community Thanksgiving Luncheon

Speaker Scott Welle addresses attendees at the 2025 Annual Celebration.

As the largest Chamber event, the Community Thanksgiving Luncheon will celebrate its 73rd year in 2026. This much-loved event held on the Tuesday before Thanksgiving is a time-honored tradition for the community.

## Decatur Leadership Institute

The Decatur Leadership Institute (DLI) is a community-wide effort, facilitated by the DRCC. This program is designed to prepare individuals for high-quality citizen leadership, meeting the present and future challenges facing Decatur Macon-County. Program participants attend 14, weekly sessions on Thursday mornings gaining an inside view of the industries and issues shaping our region. The program also entails group-based service learning projects and concludes with a graduation ceremony.

## E-Blasts

The Chamber offers scheduled e-mail blast opportunities for its members. With an above average click through rate, members are able to quickly share information with the business community.

## Educational Seminars

The DRCC supports member business and professional development by offering educational seminars given by industry leaders on relevant topics of interest throughout the year.

## Faith Meets Culture

The DRCC hosts an annual opportunity for the community to join together for prayer and fellowship.

## Ground Breaking Ceremonies

It isn't every day that the first ground is cut on a building or construction project. That big day is the culmination of dreams, efforts, goals and dedication. The Chamber is delighted to bring the shovels and provide a Ground Breaking Ceremony upon request from members to celebrate their new business construction and business expansions.

## Henry H. Bolz Endowed Internship

The Henry H. Bolz endowed internship was

# WHAT DO WE DO?

created by Mr. and Mrs. Chris Olsen and family. The endowment honors the memory of Mr. Olsen's grandfather, the late Henry H. Bolz, who for more than 30 years was the Executive Director of the Decatur Association of Commerce and Industry and its subsequent iteration—Decatur Regional Chamber of Commerce. The internship offers Millikin business, communication or political science junior/senior year students the opportunity to be part of the DRCC team with a variety of responsibilities in support of our initiatives. Interns have the opportunity to network with business leaders and participate in educational and professional activities designed to enhance the internship experience.

## Job Postings

The Chamber is committed to sharing our members local career opportunities in an effort to build a stronger workforce for the area. During the past year, hundreds of jobs were featured for businesses on our member career opportunities webpage.

## Member Directory

The Chamber Member Directory is a fantastic way for our members to get their name in front of the business community. This full-color reference guide lists our active membership and includes area statistics and other useful information. Placing an ad in the directory is a terrific way for members to maximize exposure and ensure their business is top of mind.

## Metro Money Program

Supporting local has never been more important, or easier, than with Metro Money—a gift certificate program administered by the Chamber. Available in \$5 and \$20 denominations, Metro Money never expires, and can be used just like cash at over 35+ Chamber member locations.

## Ribbon Cutting Ceremonies

The DRCC will bring the 1931 ceremonial scissors, ribbon, and invite community leaders to a Ribbon Cutting Ceremony upon request to celebrate new business openings, anniversaries, and business expansions.

*The Decatur Regional Chamber of Commerce celebrates a ribbon cutting at Mueller Water Products' new facility in Decatur, IL.*

## Small Business Executive Council (SBEC)

The SBEC is comprised of DRCC members dedicated to being the voice of small business in the Central Illinois Region. The Council brings attention to issues they regard as important, and have a goal to foster, promote, increase and retain small, diverse, and disadvantaged area businesses.

## State of the Community

The Chamber hosts an annual State of the Community forum as an opportunity for members and the general public to hear from local officials, administrators and business leaders regarding current and future plans.

## Table for Ten Lunches

The DRCC facilitates 10 Table for Ten lunches a year to provide a place for professionals of varying backgrounds and industries with a unique opportunity to network and engage with peers at various member restaurants.

## Workforce Development

The Chamber in collaboration with our Workforce Partners, is leading an effort to retain our youth here with a ground-breaking workforce development initiative that connects high school seniors to local careers.

## Workforce Partners Roundtable

Once a year, the DRCC meets with its Workforce Partners to bring awareness to, discuss and solve issues surrounding workforce in the community.

# DECATUR LEADERSHIP INSTITUTE

The Decatur Leadership Institute (DLI) has been developing leaders for decades. The list of past graduates is full of community leaders who now serve on various boards and committees throughout the Decatur and Macon County area.

DLI participants take in an inside look at Nolan Farms during one of the program's 14 weekly Thursday sessions.

DLI participants were given a behind-the-scenes tour and a hands-on experience at the Culinary Arts Institute at Richland Community College.

Hundreds of professionals have graduated from the Decatur Leadership Institute since its inception in the 1980s.

DECATUR REGIONAL CHAMBER OF COMMERCE

## 14 WEEKS

From touring manufacturing facilities to stepping on the Senate floor, DLI provides an unparalleled experience.

*DLI was a wonderful experience that provided numerous working contacts, as well as information on the community to help shift how we talk about Decatur. I was born and raised in Macon County and I learned so many things our community has to offer that I was never aware of, so now I have a fresh perspective to share!*
